| <ul style="list-style-type: none">- Another student moved Alex's backpack (unexpected change to personal belongings).- Transition period: clean-up time prior to dismissal. | <ul style="list-style-type: none">- Yelled that people were "judging his stuff."- Refused to line up and argued. | <ul style="list-style-type: none">- Teacher prompted deep breathing and had Alex wait by the door until the class was ready.- Resolution: Alex apologized and exited calmly.- Function: Undetermined based on available information. |

Notes (What did staff do that was successful in addressing the behavior?)

- Calming strategy prompts (deep breaths).

- Provided space by waiting at the door.
- Apology and calm exit concluded the incident.
